

To: - Clerk of the United States Bankruptcy Court for
the Southern District of New York
One Bowling Green
New York, New York 10004. U.S.A

Claim n° 070213.

Dear Sirs,

I received your letter from December 3rd
on December 13th.

Everything seems to be wrong. The Royal Bank
of Canada (Suisse) put some of my money in the
Thema fund; stolen by Mr. Madoff. Please see
the extracts from the bank enclosed. They
supposedly were taking care of the hearing in
the court. Now when the money should be
returned to the legitimate owners, it is
denied!

I would like a proper explanation. I think
that somebody from the bank will represent
me as I am not able to go to the court
in the U.S.A as I am old and ill. I am not
able to travel.

Thank you for your kind attention,
